Every client is required to read and sign this Policy Agreement prior to any grooming services being performed. I, the undersigned customer, do hereby entrust my pet(s) to Mutt Cuts for the purpose of grooming my pet(s).

PET(S) AND GROOMER SAFETY

Your pet(s) safety is first at Mutt Cuts. We require a current copy of your pet(s)'s vaccination records upon request. Rabies vaccination is required by the State of California. If no proof is provided, we will have to confirm vaccination with your Veterinarian. Due care will be taken with the pet(s) for the safety of the pet(s) and groomer. If it is necessary for the safety of the pet(s) and the groomer, muzzles, elastic collars, slings, straps etc. will be humanely used and are acceptable. I am aware that if my pet(s) does not respond to the groomer and remain still during the grooming procedure accidents can happen such as nicks from clippers or scissors or toenail trimmers. For the pet(s) to properly respond to the groom it is essential that the pet(s) be alone with the groomer and clients will not assist in the grooming unless requested to do so. Customer assumes all liabilities, financial and otherwise, for the behavior and health of their pet(s). In consideration of the services rendered by Mutt Cuts, Customer waives any and all claims, actions, or demands of any nature, foreseen or unforeseen, against Mutt Cuts relating to the care, control, health, and/or safety of Customer's pet(s) arising during services performed by Mutt Cuts.

Initial _____

PET(S) HEALTH CONDITIONS

Your dog's safety and comfort is our primary concern. Please advise us of any allergies, sensitivities, or pre-existing medical conditions so we can avoid aggravating these situations. Please let us know of any prior grooming history you or your dog may not have found satisfactory. We want to avoid the repetition of poor or unpleasant experiences or situations. Mutt Cuts understands that some dogs are extremely sensitive to certain grooming procedures such as nail trimming and/or ear cleaning. It is not our intent to cause your dog discomfort, so although these are routine procedures normally performed for the well-being of the pet(s), we will not continue with any grooming procedure that will cause pain, discomfort to the pet(s) or harm to the groomer. Sometimes, for a more sensitive pet, these procedures are best left to the care of a veterinarian. Mutt Cuts/the groomer will be held harmless from damage, loss or claims arising from any known or unknown pre-existing condition of the pet(s). The terms, special services or handling shall include but are not limited to veterinary emergency services in the event that the client is not available. Client authorizes the groomer to act as his/her agent in the event emergency veterinarian services, boarding, care-taking, and/or transportation is necessary and agrees to pay all costs. Any/all damages or claims shall include but not be limited to advanced age, extreme nervousness, neurosis, illness, previous injury, skin or coat conditions or other medical conditions.

Initial _____

MATTED OR NEGLECTED COAT AND SHAVE DOWNS OR CUSTOM CUTS

Allowing a pet's coat to get matted is not only very uncomfortable, but DANGEROUS for your pet's health. Excessive matting can be avoided with regular brushing and grooming and the groomer will be happy to show you some brushing techniques for mat prevention.

The groomer will de-mat the pet (if possible) at \$15 per 30 minutes in addition to the regular grooming fee or the pet will receive a "shave down" to remove the mats. Under this circumstance, a shave down is the only way to allow the skin to receive necessary oxygen and for new, healthy hair to grow. Charges for the shave down or shaving ears and tail if they are matted are determined on a per pet basis. If the client requests the mats be combed out, the groomer will not do so if it causes pet undue stress or pain.

Excessive de-matting is a painful, time-consuming and costly procedure that causes extreme discomfort and can aggravate or cause skin problems. I am aware that neglect of my pet's coat can be cause for problems after grooming such as clipper/brush irritation. Shave downs or custom cuts that are outside normal specific breed haircuts will be discussed and the groomer will perform the cuts to the best of his/her understanding of client's directions and his/her ability but no other guarantee is made. Shaving of your pet may dramatically change your pet's appearance and the hair will be very close to the skin. This may expose pre-existing skin conditions.

Initial _____

FLEA INFESTATION/SALON SANITATION

If fleas are found on your pet, Mutt Cuts will treat with a flea bath to eradicate the fleas in order to maintain salon sanitation. This is at the groomer's discretion and at the client's expense. The shampoo is gentle.

Initial _____

PAYMENT

I understand that payment for grooming services is due at the time the services are rendered unless prior arrangements have been made. I understand there is a \$30 non sufficient funds/returned check charge and I will be placed on a cash only basis thereafter.

Initial _____

CANCELLATIONS

Mutt Cuts must be notified at least 24 hours prior to the scheduled appointment of any cancellations. Leaving a message on the business answering machine is sufficient. This allows us time to try to book a replacement for your vacated appointment. The client may be billed for the normal grooming charge if 24 hour cancellation notice is not provided. Service may be terminated for repeated cancellations.

Initial _____

PICKUP

Pets are expected to be picked within one hour of being contacted. If you cannot make the agreed upon time, please call and allow us to alter our schedule accordingly. Please be sure to provide us with the best number where you can be reached. Dogs not picked up at scheduled pickup time will be charged \$20.00 per hour, after the first hour.

Initial _____

COMPLETION TIME

Every effort will be made to keep our scheduled grooms running smoothly. A typical pet(s) groom can be completed in 3 to 5 hours from the time of your appointment. If your pet(s) has behavior issues or skin and coat problems the groom may take longer. If you need your pet(s) returned by a certain time please let us know prior to the groom. We are happy to work with you as much as possible, but repeated calls to check on the readiness of your pet(s) only causes further delay. We do not provide waiting facilities for our patrons and for the comfort and security of your pet(s), it is not recommended that you come in too early while we are still grooming your dog.

Initial _____

REFUSAL OF SERVICE / AGGRESSIVE DOGS

Mutt Cuts has the right to refuse service for the following reasons: Pet(s) will not be groomed if not safe or too large or heavy to handle. Your pet's safety, comfort and well-being is our utmost concern. Your pet(s) will be groomed by our trained groomers in the style you have requested. We reserve the right to alter or cease any groom in the event that our staff determines it is in your pet's best interest or your pet displays aggressive behavior. Customer understands that Mutt Cuts has the right to refuse service to Customer's pet(s) at any time for any reason. Customer also understands that all bites will be reported to the local authorities as required by law. The client may be charged the price of the groom.

Initial_____

PUPPIES

We want your puppy's first few visits to be as pleasant as possible and will make every effort to do so by starting with the most simple haircuts. Your puppy should enjoy grooming and, to encourage this, a puppy's first haircut is not guaranteed. If you teach your puppy some basic discipline and to be still for brushing, professional grooming will be much easier for both pet(s) and groomer. Tearless shampoo will be used for your puppy's safety.

Initial_____

OLDER DOGS

We will use extra care and patience for older pet(s)s; however, we will not be held responsible for any reaction due to the mental or physical stress of grooming the geriatric pet(s). If, in our judgment, brushing or clipping is determined to cause too much stress to the pet(s), we will modify or terminate the haircut. Please be sure to notify us of any health conditions that might make your pet(s) uncomfortable during the bathing, drying, or clipping phases. Any grooming which takes place on an elderly or frail pet(s)/s is conducted at your risk.

Initial_____

Customer releases Mutt Cuts, its agents, officers, subcontractors, and employees from any and all liabilities, financial, and otherwise, for injuries to Customer, Customer's pet(s), or any other property of Customer, which arise in any way from services and/or products provided by or as a consequence of Customer's association with Mutt Cuts including, but not limited to, veterinarian bills. I, the undersigned, have read and understand and agree to the above terms and my rights and obligations for the grooming and maintenance of my pet(s) and in consideration of the grooming services of Mutt Cuts.
